COLBY

**Q.** I understand that Columbia Pictures is secretly negotiating with Victor Marchetti, author of *The CIA* and the *Cult of Intelligence*, to write a film called *The Director*. It would be based on the clandestine activities in Italy of William Colby, director of the CIA. In this film Colby would be depicted as having fallen in love with Clare Boothe Luce, who was U.S. Ambassador to Rome when Colby was CIA chief there. Is any of this so?—L.G., McLean, Va.

**A.** Marchetti and a Hollywood studio have been discussing a screenplay to be entitled *The Director*.
